Tom Swift is the main character of five series of American juvenile science fiction and adventure novels that
emphasize science, invention and technology. First published in 1910, the series total more than 100
volumes. The character was created by Edward Stratemeyer, the founder of the Stratemeyer Syndicate, a
book-packaging firm. Tom's adventures have been written by various ghostwriters, beginning with Howard
Garis. Most of the books are credited to the collective pseudonym "Victor Appleton".
