The Senate report on the CIA's detention and interrogation program represents the most authoritative and comprehensive finding since the US launched its so-called "war on terror" more than ...

### **torture does not work - The Guardian**

Besides being cruel and inhumane, torture does not work the way torturers assume it does. As Shane O'Mara's account of the neuroscience of suffering reveals, extreme stress creates profound problems for memory, mood, and thinking, and sufferers predictably produce information that is deeply unreliable, or even counterproductive and dangerous.

Torture is partly a crime of socialized obedience (34). Subordinates not only do what they are ordered to do, but what they think their superiors would order them to do, given their understanding of the authority's overall goals. For example, lynching represented ordinary people going beyond the law to enact their view of the community's will. Social influence starts with small, ap ...
