The American Civil War was a turning point in the history of warfare, as Napoleonic tactics met deadly new technology. Cannons and rifles had become more accurate at longer ranges, rapid-fire pistols gave cavalry a new weapon, and the telegraph and railroad completely altered both strategic and tactical thinking.

Across A Deadly Field: Regimental Rules for Civil War

In AGEOD's American Civil War - The Blue and the Gray, players are military and political leaders trying to lead the troops of their nations (armies and fleets) to victory, in the midst of some of the toughest operations during those five years of wild campaigning throughout a divided nation.

Matrix Games - American Civil War The Blue and the Gray

They include First Bull Run, Pea Ridge and the American Civil Campaign system developed by Frank Chadwick and updated for miniatures by Greg Novak. First Bull Run is one of my favourite battles to refight, partly as the original version of the scenario was my introduction to Volley & Bayonet, some 24 years ago.
